My plan for a hard moment

Date 5 / 9

Early signs ——— What happens first, before it gets big

What was happening before it started This is ho...

What helps ——— Which room, which object, which words

☐

☐

☐

☐

☐

What does not help · So people know what to stop

What to tell people ——— A sentence they can use

Who to contact ———

Name _____ Number _____

Where I can go ———

Afterwards — What I need, and how long it usually takes

Sentences I can use

Date 6 / 9

Each one has an example, then room for your own words ———— Say them exactly as written if that is easier

Starting a phone call

Hello, my name is _____. I am calling about _____.

Saying no

Thank you for asking. I am not able to do that.

Ending a conversation

I need to go now. Thank you.

Words other people use that I want defined A...

Asking for something to change

I find _____ difficult. Would it be possible to _____?

Asking someone to repeat

Sorry, could you say that again more slowly?

Telling someone I need a break

I need ten minutes on my own. I will come back.

Sentences that have worked before ————

Getting ready for an appointment

Date 7 / 9

The facts

What it is

Who I am seeing

Where

Date Time

Leave at How I get there

How long it will take

What to take

What I want to say Write it now; it is hard to find ...

Questions I want to ask

What they need to know about me How I...

Afterwards Plan the recovery before you go

Decided once, so I do not decide again

Date 8 / 9

Food that always works — Two options each is enough

Meal	Option one	Option two
Breakfast		
Lunch		
Dinner		
Snacks		
Drinks		

Clothes that work — Fabric, fit, the exact ones

Places that are okay — And the quiet times to go

Getting up — The same order, every morning

☐

☐

☐

☐

Winding down — The same order, every night

☐

☐

☐

☐

How much the week asks of me

Date 9 / 9

List what is coming, then mark how much it costs Five circles = the whole day

What is happening	Day	Cost: low to high	Recovery I need after
