People & talking	_____	_____	☐
Screens	_____	_____	☐

Before something demanding · What I do to get ready

☐ _____

☐ _____

☐ _____

During · What makes it possible to stay

☐ _____

☐ _____

☐ _____

After · What I need, and how long

☐ _____

☐ _____

☐ _____

Things that always help The short list, for a day with ...

My plan for a hard moment

Date 5 / 9

Early signs ————— What happens first, before it gets big

What was happening before it started This is how ...

What helps ————— Which room, which object, which words

☐

☐

☐

☐

☐

What does not help — So people know what to stop

What to tell people ————— A sentence they can use

Who to contact —————

Name _____ Number _____

Where I can go _____

Afterwards — What I need, and how long it usually takes

Sentences I can use

Date 6 / 9

Each one has an example, then room for your own words _____ Say them exactly as written if that is easier

Starting a phone call

Hello, my name is _____. I am calling about _____.

Asking for something to change

I find _____ difficult. Would it be possible to _____?

Saying no

Thank you for asking. I am not able to do that.

Asking someone to repeat

Sorry, could you say that again more slowly?

Ending a conversation

I need to go now. Thank you.

Telling someone I need a break

I need ten minutes on my own. I will come back.

Words other people use that I want defined Ask ...

Sentences that have worked before _____

Getting ready for an appointment

Date 7 / 9

The facts

What it is

Who I am seeing

Where

Date Time

Leave at How I get there

How long it will take

What to take
