Nine pages for the thirty-first: four weeks of countdown, costumes and the contest, food that looks wrong, pumpkins carved at the right time, and an hour-by-hour plan for the night itself.

2 TYPE ON IT

Open a file ending in **-fillable.pdf** in Adobe Acrobat Reader (free) or a tablet app and type. Tick the boxes with a click. **Save a copy first** and keep it as this year's file — next October it is a head start rather than a blank page.

3 OR PRINT AND WRITE

The **-print.pdf** files are the same nine pages without fields. Print page 3 and page 8 whatever else you do: the guest list wants a pen at the door, and the run of show wants to be on the fridge where everyone helping can read it.

4 PRINT IT WELL

- Paper: plain A4 or US Letter, 90–120 gsm
- Scale: **100% / Actual size** — never “Fit to page”
- The pages are white on purpose — a black background eats a toner cartridge
- Saving ink? The **mono** kit is the same layout in graphite only

5 TWO SAFETY LINES THAT ARE IN THE KIT

They are on the pages too, but they are worth repeating: dry ice goes in the bowl **around** the punch, never in the drink and never in a sealed bottle; and real candles go where nothing hangs and nobody walks — LED tea lights inside pumpkins and anywhere near costumes.
