

Start here.

Thank you. Nine pages for a children's party: who is coming, what they cannot eat, what happens in which order, and who is doing it.

1 WHAT IS IN YOUR DOWNLOAD

4 fillable kits	Letter + A4 · colour + ink-saving mono · 9 pages each
4 print kits	the same pages without form fields
Allergy page	a list you can hand to every grown-up helping
This guide	typing, printing and the licence in one page

2 TYPE ON IT

Open a file ending in **-fillable.pdf** in Adobe Acrobat Reader (free) or a tablet app like GoodNotes or Xodo. Click a line and type; tick the boxes with a click. **Save a copy first** — then the guest list stays editable as the replies come in.

3 OR PRINT AND WRITE

The **-print.pdf** files are the same nine pages without fields. Print the guest list and the party-day plan even if you fill everything else on screen: on the day you want paper by the door, with the pick-up times and the phone numbers on it.

4 PRINT IT WELL

- Paper: plain A4 or US Letter, 90–120 gsm
- Scale: **100% / Actual size** — never “Fit to page”
- Margins: none / borderless, portrait
- Saving ink? The **mono** kit is the same layout in graphite only

5 IF ANYTHING LOOKS OFF

Message me through Etsy and I will sort it the same day. And if the party went well, a review helps this small shop more than you would think.
